Kids Personal Finance Vocabulary

Instructions: Read the definition and write the money word that fits it.

Putting aside money instead of spending it right away, so you can use it for something you really want or need in the future:

Getting money in return for doing work, like chores or an allowance:

Putting your money into things that can make it grow, like planting a seed and watching it grow into a big tree over time:

Word Bank

Investing Saving Earning

Kids Saving Tracker

Name :

Date :

Instructions: Use this worksheet to keep track of something you're saving up for. Write your goal, how much it costs, and how you'll earn it!

I'm saving for...

How Much I Have Saved So Far...

How I'll Earn It...
